

Fit for Life II – 24 September 2008

Pannone LLP in conjunction with Ossur and the Limbless Association are proud to announce their 'Second' Fit For Life Conference.

This is a **FREE** conference for people who have been affected by limb loss through accident or negligence and for all of those people who deal with limb loss whether in a personal or professional capacity.

Speakers include experienced psychologists, occupational therapists and also a number of individuals who will speak from a personal experience of living their lives after limb loss. Workshops will also take place throughout the day.

Date: Wednesday 24th September 2008

Time: 10.00am - 4.00pm (Refreshments and lunch provided)

Venue: Manchester City Stadium, Manchester

There is an opportunity for any company associated with limb loss to exhibit.

If you are interested in attending or would be interested in exhibiting please contact Kirsten Arnold at Pannone LLP for more information.
